Arrival time: _____ AM		Set up cutter rack – ensure cutters available for all sauces/desserts		Floor mat	
Conduct security walk through		Prep garlic cups and pepperoncini		Clean window ledges inside and outside	
Check for delayed orders		Garlic parm. bottle – date with label system		Make sure Pepsi cooler is stocked, vents and door rails clean and dust free, labels facing forward	
Check Red Book for mgr. communication		White drizzle – date with label system		Clean all baseboards, make sure they are free of buildup in lobby	
Set up make line – date with label system note all product that is prepped for MDOG		Wings sauce bottles – date with label system		Clean base of chairs, table legs & benches	
Place portion cups in each product		Side cups full and in place. All cups except BBQ & buffalo must be refrigerated.		Sweep parking lot – no cig. butts, trash & debris	
Print MDOG				Go to bank at 9:30 AM – deposit. If unable to make deposit, supervisor must be notified by 10:00 AM	
Pull dough for lunch usage, see MDOG		Set Up Sauce Station	Mgr's Initials: _____	All the above must be completed by 10:00 AM	
Make sure all dough sizes are pulled & properly proofed		Initial When Complete			
Check expiration dates and discard if necessary		Make fresh sauce – date with label system			
Place working thermometers in all dough sizes		BBQ sauce – date with label system – 6 oz spoodle			
Prep thin crust		Garlic sauce bottle – date with label system			
Fill three compartment sink		Fill sanitizer buckets			

Set Up Customer Lobby (cont.) Mgr's Initials: _____ Fill out deposit log and attach bank deposit slips to DOR Post deployment chart using guide Note what to prep on MDOG Complete 3 day dough and hourly dough pulls Count tills and store cash Turn on the open & neon signs – dust if needed, top and bottom Every item in whole unit dated with new label system – check and make sure no items are expired! Received, open and expirations dates – timed and initialed Place empty dough trays outside and cover Dates checked on top and bottom of make line Check Pizza Academy, print and post # Product Management & Daily Time Responsibilities Mgr's Initials: _____ Initial When Complete All the above must be completed by 11:00 AM Ongoing Duties During Lunch Mgr's Initials: _____ Clean as you go – keep until clean and tight Complete daily beautification checklist Manage dough temps by moving back and forth to walk-in Down stack and patty place within 24 hrs of delivery When dough reaches 56 degrees it must be placed back into refrigeration Pre-rush Walk through Mgr's Initials: _____ Make line stocked for dinner sales Sweep entire restaurant Empty all trash cans Paper towels stocked Wipe down kitchen tables and make line Pull first dough pull Prep area is swept and clean Dishes done & prep table is clean Blaster printer checked All the above must be completed by 3:30 PM Talk staff into position Ensure staff is aware of current promotion and answer phone with promo and up sells!!! Deployment Guide Mgr's Initials: _____ Initial When Complete Deployment tasks must be assigned before Opening Manager leaves, these include: Stocking Pepsi Cooler • Use F.I.F.O. to rotate. *FACE LABELS OUT* Trash out and trash cans replaced with new liner. All dishes caught up, washed, rinsed and sanitized. • Drain water, clean out sink, no food particles left, replace water. • Floor drain cleaned out, free of all food particles. Bathroom cleaned • Mirror wiped down • Sink wiped out • Toilet cleaned • Trash taken out and liner replaced in can • Sweep and mop floor	Deployment Guide (cont.) Mgr's Initials: _____ Walk-in swept and mopped • Make sure floor is swept and mopped including underneath stacks of dough • Mop with pink floor cleaner and warm water, wet mop and dry mop entire floor. Empty dough trays stacked neatly in designated area • If stored outside, stack in 25 and cover with dough tray cover. Oven wiped down • Wipe entire oven down with warm soapy water • Top, sides, oven chamber, gas lines, catch trays, legs, and wheels. Order taking monitors wiped down • Wipe down monitor fronts • Wipe down back of monitors and data cable jacks Phones wiped down • Handest cleaned • Wipe down base and number pad All undershelves • Remove all boxes and supplies from undershelves, wipe down • Restock all boxes and supplies for following day Pre sweep of store • Lobby, production area and driver dispatch area free of paper debris and dustinator. Staff to be clocked out and sent home immediately as per MDOG, and or as business dictates. Food lexans to be pulled out of top well, cleaned thoroughly removing any and all ice or food from inside well. Bottom well must be emptied and thoroughly wiped out inside on bottom and inside walls. Make sure exterior is wiped down including all sides (especially next to sauce station), top and front with warm soapy water only (again, no chemicals where food is made or prepped). Closing Checklist Mgr's Initials: _____ Initial When Complete Lobby cleaned Mat swept off All interior window ledges wiped down Complete sweep, including corners Mop entire Lobby area wet mop and follow up with dry mop ensuring no water is left in cracks using warm water and pink floor cleaner. Target trouble areas for detailing • Wiping down any walls or counters with marks, visible dirt, dust or food, using soapy water. • Making sure chairs or benches are clean and free of dustinator and dirt. • Pepsi cooler wiped down, on top, door tracks, interior fan, and dust vent at bottom of cooler. Driver Area Wipe down monitors and keyboards Wipe down and organize driver table and undershelves. Complete and detailed sweep. Spot clean walls with soapy water, any dirt, food, dark marks or dustinator.	Closing Checklist (cont.) Mgr's Initials: _____ Front Counter Monitors wiped down. Phones wiped down. Boxes restocked. Wipe down shelves and organize. Slap Station Wipe down counters. Laminates and walls wiped down. Dust off and wipe down shelves and cross bars under counters. Sauce Station Wipe down walls and sauce table. Wipe down wall laminates above and near table. Clean side of make line, removing sauce, dustinator and food debris. Wipe down undershelves, cross bars free of dustinator and sauce. Make line Lid hinges clean and left free of buildup of food and dirt. Handles wiped down and clean on make line lids and doors. Dish Area Sinks cleaned out, free of soap and food debris. Walls wiped down above dish sinks (and prep sinks if apply). Floor drain cleaned and free of food. Miscellaneous Trash cans wiped down (late night trash to go out the next morning for safety and security reasons). Toss all food products that will expire the next day. Thorough and complete sweep under counters and open spaces of production area, prep and dry storage area. Closing Admin. Checklist Mgr's Initials: _____ Count cash. Ensure both till A and B are at \$50 or \$75 each. Count out remaining \$450.00 or \$500.00 for store cash and lock in time delay safe. Count out final deposit, fill out deposit slip, post and lock in time delay portion of safe (to go to bank first thing in the morning). Complete Deposit Log. Enter closing inventory in Profit System and verify against target for variances and finalize. Complete Nightly Numbers sheet. Complete Bad Order Log. Highlight top 5 variances on Target Inventory Cost report. Review Closing Checklist with closing driver staff to verify detailed completion of checklist. Clean and organize office. Till in safe, drawers left open. Switch out back up discs in CPU & safe. Verify Instant Pay posted. Clock out, system closed.
